

HIPPO's Committe Booklet

2023-2024

Welcoming message from the Board

“ Hi there! We are the 59th Board “Trojan Consortium” of D.R.V. Hippocampus and this year (2023-2024) one of our main focus is to get the committees up and running smoothly! In this booklet, you will get to know all about Hippo’s committees which you could join and what they do, so keep reading to find out more...”

Do you know what committees are and what they do?

Like every other student (sports) association, Hippo-campus relies on its members to have the association run smoothly via various committees. They are formed by a group of people who would like to help out and organise activities for the whole of the association!

There are different types of committees, some are more horse related than others, so it is up to you what kind of activities you would like to organise!

How can these help you?

Joining a committee can be highly beneficial as it offers opportunities to contribute meaningfully, share expertise, enhance leadership skills, as well as getting to know members along the way! **Fun is assured.**

Do you want to know more about the different committees that Hippo has to offer? Check out this booklet!

We want **YOU** to get more involved in the association!

Choose wisely on what fits you best, and yes you can join more than one ;)

Thursday Evening Committee (DoCie)

Do you want to come up with themes for the Thursday evenings and help organise our Halloween, Christmas and Carnival evenings? Then the Docie is the committee for you!

Docie stands for the “Donderdag (Thursday) Commissie”! Besides the holiday-themed lessons, other past events include:

Pub Quiz Nights: Docie members organize a fun trivia round about the horses at the stable, Hippo members, or whatever! Prizes given out to whoever knows the most.

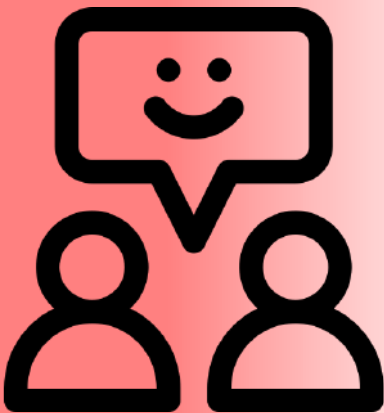

Interaction Committee (InCie)

The interaction committee organises Hippo's non-horse-related social activities.

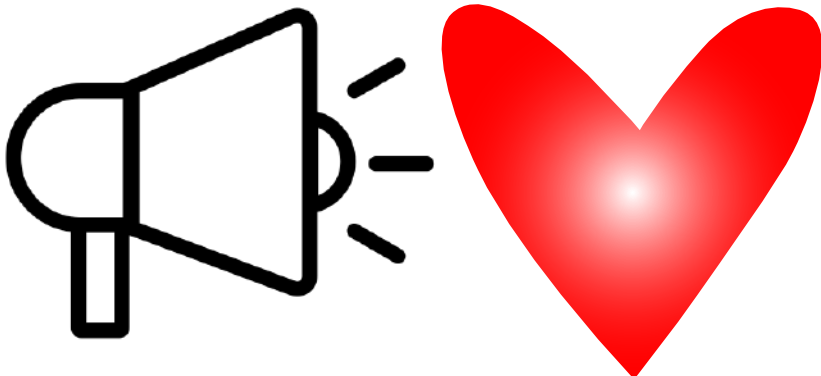

If you have a fun idea or want to help with our ideas, join the Incie! (Also if you are part of another association)

Past events include bowling, laser tag, kart racing, and board game nights. They are chill activities to disconnect a bit (just a bit) from horses ;)

Promotion Committee (PromoCie)

Do you like taking pictures and would you like to capture some Hippo events?
Do you think you have a talent for hyping people to go to cool events?
Is designing a passion of yours and would like to see your designs more visibly on the website and the instagram account?
Sounds like the Promotion Committee is for you!

Horse Knowledge Committee (PkCie)

The Horse Knowledge Committee ("PaardenKennis Commissie") organises events or activities related to horse riding like improving your general horse knowledge and understanding about horse care, because who doesn't want to spend more time around horses?!?!

Some example activities are:

1. Outdoor rides
2. Learning archery from horseback
3. Inviting a guest speaker to talk to Hippo about horse care (e.g., a hoofsmith, vet, dentist, or physical therapist)
4. Improve your posture on a mechanical horse!
5. Arranging a special lesson to learn/watch groundwork or longing a horse
6. Attending a horse show (annual Military in Boekelo, the wild horse show in Dülmen, Germany nearby, etc.)

Website Committee (WebCie)

Do you have some experience with websites (specifically working with WordPress)?

The WebCie needs YOU to update and keep improving this wonderful website, so join the Website Committee and become the WebMaster!

Pas De Deux Committee (PddCie)

This committee organises the most fun competition evening of the year!

Things they do:

- Make the info and sign-up page
- Organise the starting list, test and practice lessons
- Organise fun prices!

Experience is not required, so it is a perfect first committee if you don't have any experience with committees or organising competitions :)

Scan the QR code to take you to
the Hippo website and start filling
the interest form!
